

## **THE DUKE OF EDINBURGH'S AWARD**

Dear Parent,

Your Son / Daughter has recently become an enrolled cadet & as such can be enrolled in the Duke of Edinburgh's Award. This is a national award scheme run for young people who want to gain some recognition for their achievements & is viewed favorably by potential employers. The ATC is the largest operating authority of the award & many of the activities your Son/Daughter will take part in will count towards all levels of the award.

To start off your Son/Daughter needs to be enrolled in the scheme. (Activities can only be back dated 3 months) This will cost £11.00. If you would like your Son/Daughter to take part in the award please forward a cheque made payable to "Herts & Bucks Wing ATC welfare fund" & the completed tear off slip below.
